

## September 2022

It is that time of year again and as a company, we need your custom more than ever. We are also acutely aware of the financial pressures on families at this time so as a result we have NOT increased our prices even though our suppliers have hit us with massive increases in paper costs. We therefore hope you will continue to support our company.

Included in your packs are the following:

- Drawing sheets for each child
- Co-ordinator/teacher instructions
- Parents letter of explanation (to be sent out with the drawing sheet to all parents on the school letterhead)
- Posters (more posters can be printed by downloading a copy from our website)

Look out for our new improved website which will help you navigate our site a lot easier. We are once again offering our much-loved Christmas tree decorations and wrapping paper which proved extremely successful last season.

Please remember to read all the information before starting on your project as this will ensure that all the designs are amazing! Your date for return of the drawings to TKO is on your poster so please display this clearly for parents to see and if you are unable to meet that deadline please call the office to change the date as soon as possible.

All the above information can be viewed on our website: **[www.totalknockout.co.uk](http://www.totalknockout.co.uk)**

If you have any further questions, please do not hesitate to call us on: 01206 331816 and we will be happy to help. Most importantly as we always say have fun and start creating!

The TKO Team
